This matter was opened to the New Jersey State Board of Medical Examiners ("Board") upon receipt of a request for reinstatement of license. In a December 30, 2002 Final Order of Discipline Respondent's license to practice medicine in New Jersey was suspended until such time as Respondent provides the Board with a written release from the Department of Health and Human Services ("DHHS") indicating that Respondent's default on the Health Education Assistance Loan ("HEAL") is cured or Respondent is making payments on the HEAL in accordance with a repayment agreement approved by the lender or guarantor. Respondent has provided the Board with a copy of a letter dated October 3, 2005 from DHHS indicating her exclusion from participation in Medicare, Medicaid, and State health care programs has been stayed since Respondent has entered into a Settlement Agreement for her to repay her HEAL.

Respondent has represented via an Affidavit that during the period of suspension she did not have paid employment of any kind, she has a job offer as a physician in the State of Illinois and

does not intend to practice in New Jersey. Respondent also has provided certificates totaling 81 hours of Category 1 Continuing Medical Education in Emergency Medicine PREP courses during 2005 and certificates totaling over 100 hours of Category 1 Continuing Medical Education courses for 2003 and has thus satisfied the continuing education requirements for each biennial registration period for which her license was suspended.

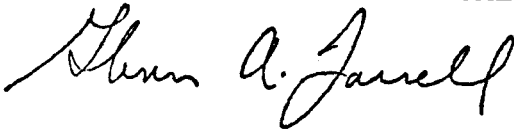

Respondent having demonstrated that she has fully complied with all the terms and conditions of the Final Order of Discipline, and has met all other requirements for licensure, and for other good cause shown;

IT IS THEREFORE ON THIS 22nd DAY OF December , 2005,
ORDERED THAT:

1. Respondent, Anne F. Gilroy, M.D. is hereby granted an unrestricted license to practice medicine and surgery in the State of New Jersey effective on the entry date of the Order.
